

Lithium Rhino batteries are designed for easy installation with an all-in-one battery conversion bundle that comes with everything that is needed to complete a lithium conversion. These batteries come with an **8-year warranty** with an unprecedented **6 years of complete coverage** and **2 years pro-rated** with a **\$500 deductible**.

Features/Benefits

- LiFePO4 chemistry
- Ultra-fast charging
- 6000+ charge cycles
- Longer lifespan of 12+ years
- Zero maintenance
- Extended drive range
- Bluetooth app connectivity
- Anti-theft lockout

What's Included

- Lithium Rhino battery
- Fast charger
- DC converter
- LCD screen
- Mounting Hardware
